### **CRITERION I – CURRICULAR ASPECTS**

#### **1.1 – Curriculum Planning and Implementation**

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Institute implements the curriculum of B.Ed. and M.Ed. of its affiliating University i.e. Maharshi Dayanand University, Rohtak. The Institute has constituted Curriculum Committee for effective implementation of University prescribed Curriculum as per local needs. The Institute follows well maintained and transparent mechanism for curriculum delivery and documentation. In the beginning of the academic session, the Institute prepares academic calendar which consists of curricular and co-curricular and extracurricular activities for effective delivery of curriculum. Institute constitutes Time - Table committee. Time - table committee prepares timetable as per the workload of the faculty for the academic session. Time table is displayed on the Institute notice boards. The head of Institute addresses the newly admitted students in Orientation/Student Induction program which orient the students about the Infrastructure facilities, Library facilities, syllabus, mission, vision and various activities conducted in the Institute. The teachers also address the newly admitted students and orient them on the curriculum. They also share with them the different reference book and links available on the Google which they can use in their studies. A comprehensive Teaching plan is prepared by the faculty which includes the delivery of lectures, tutorial and practical in the beginning of the session. The faculty also take extra lecture if need arises. The faculty uses different pedagogy techniques, methods, presentations and group discussion etc for effective delivery of curriculum. The Institute has maintained well equipped laboratories for effective curriculum delivery of practical. It provides practical knowledge and enhances the skills of the students. Meetings are conducted regularly for the review of the teaching, planning of unit tests, seminars, workshops etc. Assignments, seminars and projects are given to the students under the supervision of faculty to enhance their team skills, leadership qualities etc. Extension lectures of eminent faculty members from different institutions are arranged for the students to give them exposure to current trends and latest knowledge. ICT skills are used by the teachers for effective delivery of lectures and imparting curriculum. The Institute organizes educational tours for the students, conducts Internship programs for B.Ed. and M.Ed. students and provides field visits for their practical exposure. Internship program acts a means to interact with school authority which enhances the students' employment skills. Tutorial system is implemented in the Institute for Individual care of students for academic, social, personal and financial issues. Remedial coaching is provided to less achievers to come up with their difficulties. The achievements of objectives of the syllabus are measured through students' performance in internal tests,

Group discussions, Presentations and University examinations. Unit Test, Class test and In-House examination are conducted for the student; results are discussed and analyzed with the students and are displayed on college notice board.

#### 1.4 – Feedback System

1.4.1 – Whether structured feedback received from all the stakeholders.

Students	Yes
Teachers	Yes
Employers	Yes
Alumni	Yes
Parents	Yes

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution?  
(maximum 500 words)

Feedback Obtained
<p>Feedback acts as a means for evaluating the progress of the Institute. The Institute collects feedback from Students, Teachers, Employers, Alumni and Parents. It helps in developing new insight for further improvement. Procedure of Feedback collection: Feedback forms are distributed to all stakeholders. Filled feedback forms are collected back and then the data is entered in excel sheets. Numerical data is entered in various excel sheets and calculated for each parameter. Another sheet is prepared for the total number of responses on each parameter. Finally graphical representation is presented in IQAC meeting. Each parameter is discussed and suggestions are given for further improvement of the areas required as per feedback. Results of the analysis based on students feedback indicate that quality of course content is good, teachers are knowledgeable, there is practical content of teaching, Library and administrative support is good, learning outcomes are positive and overall rating is good for the Institute. The Institute needs to work out on weaker areas as per feedback like communication skills, teachers availability, encouragement etc by organizing various Faculty Development Programs/Orientation/Workshop/Seminar etc for faculty. Parent's feedback responses indicate that the Institute is doing well as regard to admission process, conducive learning environment and organizing extra curricular activities. The Institute needs improvement in the parameter of placement. By taking into consideration, the Institute should make contacts with more employers for placement. The Institute conducts Alumni Meet for obtaining feedback and sharing experience of students face to face. The responses from Alumni shows the importance of Institute in the Alumni progress, Proud to be associated with the Institute and Facilities available in the Institute are good. Financial strengthening of the Institute by alumnus is the weaker part. Feedback is also obtained from Teachers. The responses from teachers indicate that the course curriculum is appropriate and they have freedom to opt teaching methods, techniques and tools. Examination and evaluation system is good for the students. Employers are satisfied with the curriculum for B.Ed. and M.Ed.</p>

A) Title of the practice: - Model: 7E

- 1) Engage: Prospective teachers are engaged in various curricular and co-curricular activities. They are actively engaged in community projects.
- 2) Extricate: Students from diverse culture are provided opportunities to work together and extricate themselves from Gender, religion, communal bias.
- 3) Enthral: Students are exposed to expert lectures, workshops/seminars, research activities, personality development programs where they extra ordinarily may develop their intellectual powers.
- 4) Electrify: Ganga Institute of Education, by organizing cultural events, fresher's party, alumni meets, various competitions, electrify the students' energy. Its civic responsibility forum is active and enthusiastic for inculcating civic and moral values among all.
- 5) Equipped: Prospective teachers are equipped with the tools: communicating skills, Micro Skills, technology, handling of classroom situations. They are trained with problem solving attitude.
- 6) Establish: Prospective teachers are prepared to establish moral, civic and human values by reflection of their own behavior.
- 7) Endure: They are taught to be patient in adverse circumstance and be tolerant against diversities.

II. The context that required initiation of the practice Students of 21st century are growing in technology world. They are not merely citizens of one nation rather they are members of global family. Their exposure is wide and teachers need to take up and meet their multifaceted issues to address. Explosion of knowledge has also made students smart enough. TEIs have challenge to prepare such an equipped teacher who can meet the 21st century students' demands and contribute in their all round personality development and grooming.

III. Objectives of the practice

1. To engage the prospective teachers in various activities where they learn handling of new and varied situations.
2. To extricate them from false beliefs and biased mentality.
3. To impart them practical knowledge and train them in skills.
4. To electrify their young energy in constructive development for the nation.
5. To teach them tolerance in favor of mankind.
6. To equip them with the tools of technology, knowledge and positive attitude.
7. To establish moral, civic and human values among them.

IV. The Practice It is true a teacher can make kings, administrators, worriers but all of them jointly cannot make a teacher. Keeping the most responsible figure of teacher in mind, all the practices are practiced to prepare capable teachers who can handle the global issues and teach their students for human, moral and civic values. Students are member of various committees. Talent search program and fresher party are organized. Seminar, workshops and expert lecture, personality development program was organized.
